

1) Règle du jeu:(pour deux joueurs)

Chaque personne dispose de 3 cases : une case centaine, une case dizaine, une case unité, qui forment un nombre.

Le but du jeu est d'obtenir un nombre plus grand que celui de son adversaire.

Déroulement.:

Chaque joueur lance le dé : Le plus grand nombre commence.

Le premier joueur lance le dé et marque le nombre obtenu dans la case de son choix.

Le second joueur fait de même jusqu'à ce qu'il n'y ait plus de case à remplir.

Le joueur qui a le plus grand nombre gagne !

2) A vous de jouer !
